VICTIMS' RIGHTS COMMITTEE MISSION STATEMENT

The Fourth Judicial District Victims' Rights Committee exists pursuant to the enactment of the "Victims' Bill of Rights" by the Utah State Legislature.

The Committee works to promote justice within the community by helping to ensure that victims and witnesses of crime are treated with fairness, dignity, respect, and sensitivity. We believe that the criminal justice system response to victims and witnesses of crime is enhanced by fostering communication between involved agencies, training criminal justice system personnel and educating the public.

Communication, respect, and sensitivity for victims and witnesses is essential to ensure the participation and cooperation of citizens with the criminal justice system process. The Committee serves as a forum for reviewing progress and problems related to the treatment of victims within the criminal justice system.
